

Are there any electrical distribution box manufacturers in Austria

Article Overview

Austria hosts several specialized manufacturers of electrical distribution boxes, including Steinbacher Energie, PCE, GIFAS-ELECTRIC, and EPS Electric Power Systems.

Key Manufacturers

Steinbacher Energie is one of Austria's oldest producers of meter boxes and distribution cabinets, emphasizing sustainability and high-quality craftsmanship in their products, suitable for residential and commercial applications . PCE Electric specializes in industrial plugs, sockets, and a complete range of rubber, metal, and plastic distribution boxes, catering to both industrial and commercial sectors . GIFAS-ELECTRIC GmbH offers a diverse portfolio of electrical distribution solutions, including solid rubber distributors, underfloor distributors, energy pillars, and floor sockets, with custom-configured options for various sectors . EPS Electric Power Systems GmbH provides comprehensive electrical distribution services, including planning, installation, and maintenance of power distribution systems, along with UPS systems and room-in-room solutions for data centers .

Additional Notable Companies

- o ELIN: Offers high and medium voltage systems and uninterrupted power supply solutions for sensitive areas like hospitals and airports .
- o Kraus & Naimer: Specializes in electrical switchgear, providing technically and economically optimized solutions for multiple applications .
- o Verbund / Austrian Power Grid AG (APG): While primarily a grid operator, they are integral to Austria's high-voltage distribution network .
- o Energy3000: Focuses on sustainable energy systems, including photovoltaics, which integrate with electrical distribution infrastructure .

B2B Directories

For a broader list of suppliers, Europages lists over 60 Austrian manufacturers and producers of distribution boxes, allowing direct contact with wholesalers and manufacturers for procurement purposes . These companies collectively cover a wide range of electrical distribution needs, from residential meter boxes to industrial and high-voltage solutions, making Austria a strong hub for electrical distribution equipment manufacturing.
