

Article Overview

Cable tray prices in Jordan vary by material, size, and supplier, with multiple local manufacturers and distributors offering quotations upon request.

Key Suppliers in Jordan

- o MASEICO (Al Masoudia Electrical Industries Co. Ltd.) MASEICO is a leading manufacturer of cable trays, ladders, and supporting materials in Jordan, serving industrial, building, petrochemical, power, and oil & gas projects. They provide products developed according to international standards and can offer site-specific solutions for multi-span cable tray installations. Price quotations can be obtained by contacting their Amman factory directly for project-specific requirements .
- o Davos for Electrical Systems & Supplies Davos is a dealer of EuroTray and other cable management systems in Jordan. They supply full cable management solutions, including steel and ladder-type cable trays suitable for data centers and industrial applications. They provide quotations based on tray type, dimensions, and load requirements .
- o TradeKey Suppliers TradeKey lists multiple suppliers offering galvanized, powder-coated, PVC, and fiberglass cable trays in Jordan. Specifications include thickness (0.5-2.5 mm), width (25-1000 mm), and height (25-300 mm). Suppliers on this platform can provide OEM/ODM options and customized multi-span trays. Price quotations are typically provided after submitting an inquiry with required dimensions and quantities .
- o Cable House Jordan Cable House manufactures and exports cable trays in Jordan, emphasizing durability, reliability, and long operating life. They offer competitive market prices and can provide quotations for multi-span cable trays tailored to industrial and commercial projects .
- o ABB Cable Tray Systems ABB offers perforated trays, cable ladders, and channel trays with medium to ultra-heavy duty options. While ABB's facilities are in Canada and Saudi Arabia, they support regional distribution and can provide quotations for large-scale projects in Jordan .

Factors Affecting Price

- o Material: Galvanized steel, powder-coated steel, PVC, or fiberglass.
- o Dimensions: Width, height, and length of the tray.
- o Load Capacity: Light, medium, or heavy-duty trays.
- o Span Length: Multi-span configurations may require additional supports.
- o Customization: Special coatings, perforations, or OEM requirements.

How to Obtain a Quotation

- o Prepare a specification sheet including tray type, dimensions, material, and quantity.
- o Contact suppliers directly via their websites or sales departments.

Jordan Multi-span Cable Tray Price Quotation

- o Request project-specific pricing for multi-span installations, including delivery and installation support if needed.
- o Compare quotations from multiple suppliers to ensure competitive pricing and compliance with international standards. By reaching out to these suppliers with detailed specifications, you can obtain accurate price quotations for multi-span cable trays in Jordan tailored to your project needs .
